- He was with Range Director Ted Bayne most of the day, with Ted showing him the ropes and both of them getting a lot of work done.

Membership Director John Delaney:

- We have 307 members now. 42 of those are family members.
- He just made us aware that our website is coming up for payment. He also found someone who is wanting to help with the website.

- He gave us the Treasurers Report, we are still holding our own.
- He is going to ask for approval of money for the raffles at the Membership Meeting.
- He talked about having a kind of field day at the club on the same day that we have the Gun Raffle. Everyone was in agreement and we will be discussing it more later.

Range Director Ted Bayne:

- He talked about the Fast Five League. It's a league he put together after the Steel League was done. It went really well.
- He talked about the COVID-19 safety rules for Sight in Days. We went over them. We also talked about the food and we decided it would be safer to order pizza for the workers.
- He also brought up leagues and discussed if we could have them or not. We decided to wait and see.

Vice President Roy Martin:

- Roy talked about the deed and taxes. Someone needs to make phone calls to the Township

Treasurer and County Clerk.

President Don Collins asked if anyone had anything else to discuss. No one did.
